Grandstand Roof at Tampines Swimming Complex

Main Grandstand Roof at Jalan Besar Stadium

sports facilities

u n c o n v e n t i o n a l s t e e l s t r u c t u r e s

Our firm has designed many sports facilities with unconventional steel structures, such as the roofs to the Bishan Stadium, Jalan Besar Stadium and Singapore Sports School. They are usually the more exciting part of the overall civil and structural design package.

Each design is specifically tailored to meet both the client's requirements and the objective of achieving an aesthetic and yet buildable, efficient and economical structure, in order to give our clients the best overall project value.

AWARD

- [Structural Steel Design Award 2002](#)
- [Merit for Structural Steel Design Award 2004](#)
- [Merit at URA's Southern Ridge Bridge Design Competition 2004](#)
